

SBJ individual members can access the full text of the *Journal of Bioscience and Bioengineering*, *Journal of Fermentation and Bioengineering*, and *Journal of Fermentation Technology* (back to Vol. 64 , 1986) on ScienceDirect.

To activate your access to the journal, you will need your **membership number in 6 digits**. If you have forgotten your membership number, please contact the Society Business Office ().

1. Go to: <https://www.sciencedirect.com/science/activate/jbiosc>

ELSEVIER

Get Access

Activation Page

To activate your access to the *Journal of Bioscience and Bioengineering* , please enter your society membership number of the Society for Biotechnology, Japan (SBJ).

After entering, click on the "continue" button.

The next step will allow you to associate an existing ScienceDirect user-profile to this subscription. Once your profile has been successfully redeemed, please login again with your existing user-profile to the SBJ Members' Access Site.

If you do not have an existing profile, and are a new user to ScienceDirect, please continue to the registration screen that will allow you to create a user-profile. Once submitted, a unique username will then be assigned and you will be able to set your own password.

If you don't know your Membership Number, please send an email to the SBJ Business Office at: info@sbj.or.jp.

2. Register your email.
