

The 76th Annual Meeting of the Society of Biotechnology of Japan (SBJ) successfully concluded on September 10, 2024. Many thanks to all who participated in the meeting.

Please make plans to attend the 77th SBJ Meeting, which will take place at Hiroshima Institute of Technology, Itsukaichi Campus (Miyake Campus) from September 10–12, 2025.

We look forward to seeing you again in Hiroshima.
